OVERVIEW

M/Y Klobuk is a beautiful 31 m motor yacht, built 2005 by Custom Line, part of the Ferretti Group. Designed by Giovanni Zuccon, Klobuk combines classic elegance with modern comfort. Maintained in top condition and refitted in 2023, she is perfect for exploring the Adriatic Sea.

With a semi-displacement hull and advanced double stabilization system, Klobuk offers smooth and stable cruising at 13 knots.

The main deck features long side windows that fill the bright interior with natural light and provide stunning sea views. The salon offers a comfortable space to relax with family and friends. An expandable dining table can fit 10 people comfortably.

Klobuk accommodates 10 guests in five spacious cabins with room for two more guests. The large Master Suite, located on the main deck with two walk-in wardrobes, and a desk space can be closed off to create private area. Full beam VIP cabin on the lower deck is complemented by one more double cabin and two elegant twin cabins, both with pullman beds, all with en-suite bathrooms.

Upper deck salon is perfect for enjoying sea view. Salon leads out to space for sunbathing and relaxation, while up on the sundeck you can find perfect spot for drinking cocktails and enjoying your private moments.

For adventure lovers, Klobuk comes with variety of water toys, including 7 m Sacs tender.

What truly makes Klobuk special, however, is her amazing crew, who go above and beyond to make your experience unforgettable. With her timeless design, luxurious interiors, and exceptional comfort, Klobuk is the perfect yacht for an Adriatic escape.
