ABOUT AETERNA

The 53.3m AETERNA (previously known as EXCELLENCE ADRIA) was launched in 2020, and is undergoing an extensive refit over the winter of 2023/2024. This stunning, modern yacht offers guests luxurious accommodation and top class amenities over 4 spacious decks. She is perfect for a large group, able to accommodate 20 guests comfortably in 10 staterooms and has a capacity to day cruise with up to 36 guests on board. She is packed with facilities offering charterers entertainment, adventure and relaxation throughout their trip. Her knowledgeable Captain and crew are delighted to share their love of their native Croatian waters and will ensure that you always receive the highest levels of service.

Her impressive main saloon has two dining tables, able to host 24 guests at a sitting, with an adjoining informal lounge area where guests can relax with a pre-dinner drink from the bar. If guests wish to dine outside and enjoy the beautiful surroundings, there are two dining tables on the upper deck, also seating 24 guests. The sundeck is the perfect space for entertaining guests, whether sunbathing, resting beside the Jacuzzi or lounging by the bar area. For those who prefer an informal setting it boasts its own BBQ area, earthen pizza oven, and even an outdoor cinema, making it the perfect spot sit back and enjoy the on board entertainment.

For those who are more active, there is a large outdoor gym on the top deck featuring a treadmill and exercise bike along with a TRX, pull-up bar, free weights and yoga mats. There is an 8.7m Marine Mito chase boat as well as a 5m Brig tender, that allows guests to fully explore the stunning surroundings or try out water sports. AETERNA has an extensive selection of water toys, from Seadoo jetskis, Seabobs and waterskis, to a choice of towables for those who just want to have fun. There is an extendable swim platform and an inflatable netted sea pool, which creates a safe and secure swim area for guests. Anyone preferring a slower pace will be able to take advantage of the fishing equipment, lie back on the floating mattresses, or go off on a paddleboard to explore the local coastlines.
