

A large white yacht, the AKIRA, is shown from a front-three-quarter view, sailing on a body of turquoise water. The yacht has a modern design with a white hull and a dark upper section. It features a large cabin with a curved roof and a prominent radar scanner on the mast. The background consists of a lush green hill on the left and a colorful coastal town built into a cliff on the right, under a clear blue sky.

AKIRA

Sanlorenzo SD90

TECHNICAL DATA

LENGTH:	27.43 m
BEAM:	7.00 m
