Stylish and modern, Hideaway is a stunning Sunseeker that has been designed to soak up as much natural light as possible. The tastefully designed flybridge offers both shaded and sunny seating options to enjoy time with friends and family. The bow also offers ample opportunities to relax with a good book or to simply enjoy your surroundings. At the stern of the boat, a beautifully decorated dining table enables guests to always have a remarkable back drop for any meal of the day. The salon offers large, panoramic views out of the boat which can be enjoyed at all angles.

Hideaway has 4 luxurious cabins fitted out in a modern, calming ascetic which gives a cool, light and airy impression, emphasising the ingress of natural light. The full beam master

cabin is large, with a 3 section wardrobe, vanity unit and en-suite bathroom complete with his and hers sinks. The forward VIP has a lovely feel, spacious and capacious, with great storage, a vanity unit and en-suite. Both midships cabins are en-suite, with a double to starboard and a twin to port (can be converted to double).

Here is a recent review of a guests:

'I wanted to personally send this message on behalf of C and myself. We can not thank you and your team Nichola and Pave enough for making our time on your boat a most memorable time. Your professionalism/attention to detail and the incredible way you integrated with us all with kindness, care and humour is a credit to you all as a wonderful team and amazing humans.

My gratitude is immense as i organised this trip on behalf of our entire group. So it was very very very important to me that they had the best time and I can assure you Milan, none have stopped talking and laughing about all the great times we had for every hour of every day. They all have agreed that it was the best time they have ever had on holidays and the memories that you and your team helped create will live with us forever.

Thank you Milan, my new friend, for making that happen for Claire and me and our dear friends.
