ABOUT AGAPE ROSE

In a league of her own, AGAPE ROSE is the pinnacle of large group yacht charter experiences in Croatia. Sleeping 22 guests in 11 luxurious staterooms, including 7 convertible rooms, AGAPE ROSE offers endless flexibility and amenities for most group sizes looking for an amazing local charter of the highest quality, without leaving anyone at home.

Thanks to her high volume and ingenious design, she features a designated gym equipped with the full NOHRD luxury range, a separate spa and sauna, as well as a full home movie theatre room too!

The features don't stop there, AGAPE ROSE is packed with all the crucial water toys charterers might want including; 2 x Sea-Doo jetskis, 2 x Seabobs, 1 x Fliteboard eFoil, 4 x SUPs, 2 x kayaks, an inflatable slide and an inflatable jellyfish pool / swim platform to enhance the water toy experience further. You can also find adult and junior water skis, wakeboards and inflatables all towed behind one of her two 6.5m 150hp tenders designated solely for towing toys and transferring guests in style.

An invitingly large main saloon on the upper deck creates a space for guests to dine at either of the two large round tables, relax on sofas and enjoy the bar whilst socialising altogether in one fantastic saloon space. Dining options extend on deck with two large dining tables comfortably seating 12 each. This flexibility offers indoor or on deck dining for all your guests comfortably.

The sundeck features ample sun loungers, comfortable seating both shaded and unshaded, a forward Jacuzzi, bar kitchen and dining table. The space creates a great social atmosphere that has covered and uncovered areas giving flexibility and escape from the sun and elements without having to leave the deck.

The incredible list of interior and exterior features, a fantastic team of experienced crew that include an expert captain onboard since her launch in 2017, as well as a designated masseuse and physical therapist too, plus all the water toys you want, make AGAPE ROSE a top choice in the Adriatic next summer for an unparalleled charter experience.
