6

Jet Skis NEW 2025 Sea Doo

### OVERVIEW

Silent World is a graceful 40-meter luxury motor yacht from IAG Yachts' Primadonna series, blending Italian elegance with modern comfort and a commanding presence at sea. Originally delivered in 2014 and currently undergoing a refit to be completed in spring 2026, she will feature a refreshed interior and an inviting, contemporary atmosphere.

Her sleek exterior lines and expansive decks provide the perfect settings for alfresco dining, sunbathing, and relaxation in the Jacuzzi. Inside, large windows fill the main salon and dining area with natural light, while the sky lounge offers a cozy retreat for movie nights, games, or evening drinks.

Designed for up to 12 guests, Silent World features a full-beam master suite on the main deck with a private office and abundant natural light. On the upper deck, the double cabin enjoys beautiful sea views and a queen bed, while the lower deck includes two double and two twin cabins, providing flexibility for different groups. Each cabin is complete with its own en-suite bathroom and generous storage.

For those seeking adventure, a Super RIB 30 SO chase boat is available for exploration, water sports, or smooth coastal transfers.

Powered by efficient engines, Silent World cruises comfortably at 12 knots with a top speed of 16 knots, supported by stabilizers both underway and at anchor.

Whether for family escapes, relaxed cruising, or stylish entertaining, Silent World offers the perfect balance of performance, comfort, and sophistication. Every journey on board promises a serene and unforgettable experience at sea.
