

SOLOMAR

Solomar is a brand new Samana 59 catamaran offering crewed charters in Croatia. With four guest cabins, spacious indoor and outdoor areas, and a dedicated three person crew.

GUEST FEEDBACK:

"Our family had a truly fantastic experience aboard Solomar. The boat was impeccably designed and very comfortable. Marko, Iris, and Emma made our trip special in every way, from taking the kids tubing, cliff jumping, preparing healthy and nutritious meal, and providing wonderful service. The trip would not have been the same without them. We hope to return aboard Solomar and explore more of beautiful Croatia!"
