CONTE STEFANI is a 34.96 m Motor Yacht, built in Taiwan by Horizon, delivered in 2006 and refined in 2023. She is the only Elegance 115 Dynasty model.

The true distinction of Conte Stefani lies not only in her refined design but in the exceptional quality of her crew. This tight-knit, professional team brings a wealth of sea time and deep-rooted local knowledge, offering guests a seamless and enriching experience along the Adriatic. Their dedication consistently exceeds expectations, with numerous glowing testimonials attesting to their personalized, attentive service. Captain Jure, a seasoned watersports expert, takes a hands-on approach and is always delighted to assist guests in making the most of the yacht's full array of toys and activities.

Following her debut at the first edition of the Croatia Yacht Show, Conte Stefani garnered outstanding feedback from top-tier brokers, with particular praise for her elegant lines, generous interior volume, and thoughtful layout. The positive response continued during the exclusive FAM trip hosted after the show, which showcased the yacht's full potential in the stunning Croatian setting. A reference from that unforgettable experience is included below.
