OVERVIEW

Mighty Princess awaits your majesty for the perfect charter vacation in Croatia. The 22-meter yacht designed by Bernard Olesinski features three cabins and contemporary styled interiors naturally opening to her comfortable exterior spaces and sporty look. She is given good performances enabling you to spend a dynamic and eventful vacation.

Her crew consisting of Captain and Stewardess takes care of every detail of your holiday, giving spotless service but also providing rich knowledge of local sights, popular hot-spots and secluded bays. The décor of the interiors that 'breathes aesthetics' is easily seen in bright tones of fabrics and finest wood, while cool features like opening main salon roof will reward you with a million dollar view to the stars during charming summer nights. The central space for enjoying the moments millimeters from the sea is hydraulically operated stern platform, which can be interpreted as a private beach. But the variety of toys turn that space into real playground with selection of water-toys like jet-ski and donuts, or simply the mask and the flippers enabling you to dive into the turquoise Adriatic lagoons. Her home port is Split, from where she can easily reach Dubrovnik or Montenegro on the south, or give you a fantastic cruise up north to Venice through three national parks in Croatia.
