

CREW PROFILE

BABY I

Captain VICKO RUIĆ

Nationality Croatian Languages English

The captain of Sunseeker 105 is Vicko Ruić. Vicko has been working in the yacht industry since completing his University Degree in Maritime Transport and by now his experience in sailing the seas exceeds 10 years. He started working in this branch as a deckhand and worked his way up to the captain of the M/Y "Alexandar" – a 62 feet motor yacht where he worked for two years – before taking up the position of the captain of the 64 feet Motor Yacht "Lucijai Filip". Following the latter, he accepted the position of the captain of the 64 feet Motor Yacht "Edward". During the mentioned period of time on the yachts, he also worked as the on-board technician. Vicko cruised much of the Mediterranean, including the territorial waters of Croatia, Slovenia, Italy, Greece, Montenegro, France and Spain. He spent a certain period of time on sailing yachts too. Returning to his original passion – motor yachts, Vicko joined the M/Y "Csimbi" as captain in 2012. In 2015 he took captain position on M/Y Baby I. Vicko owns a Yacht Masters 500 GRT license, speaks Croatian (native language), English and German. He is also a qualified diver. His experience and willingness to accept responsibility for the ultimate safety of the guests and crew guarantee that your Baby I journey will be unforgettable. He likes to spend his leisure time playing the guitar, free climbing, hiking or exploring the caves
