An aerial photograph of a stunning Croatian coastline. The water is a vibrant, clear blue, transitioning from deep navy to light turquoise near the shore. A large, dark-hulled motor yacht with a white upper section is anchored in the middle of the bay. To the left, a small peninsula features a few buildings with red-tiled roofs and a green-roofed structure. The right side of the image shows a lush, green forested coastline with a small white boat near the shore. In the background, a small, tree-covered island sits in the water, and distant mountains are visible on the horizon under a clear sky.
