**Perfect balance between
spaciousness and maneuverability**

3

**Al fresco
bliss**

4

**Luxurious
Master cabin**

OVERVIEW

We are beyond elated to introduce TAMARA II, the latest addition to our motor yacht fleet. As part of the Azimut 66 Fly series, TAMARA II, a creation of the eminent Stefano Righini, is not just a boat but a true masterpiece, commanding attention with its allure. TAMARA II boasts exterior lines that seamlessly blend dynamic energy with refined elegance, setting it apart as a triumph of design. A true standout among luxury motor yachts, this Azimut 66 Fly, constructed with precision using GRP and carbon, marries speed with lightweight finesse, ensuring stability and unparalleled comfort across all sea conditions. The flybridge, offers a helm station, a generous dinette transforming into a sunbed, al fresco dining for eight, a wet bar with a BBQ grill, and a versatile aft area for relaxation or sun-soaked moments. Inside TAMARA II, Carlo Galeazzi's signature design welcomes you to a floating Italian luxury apartment. Revel in the airy and stylish interior adorned with the finest fabrics from a palette of rich beige, sumptuous décors, and contrasting dark oak complemented by stainless steel accents. The living space is illuminated by large panoramic windows, offering stunning views of the Adriatic's beauty. TAMARA II invites up to 8 guests to unwind in 4 cabins. The Master cabin, benefiting from the yacht's wide beam, features a queen size bed and an extra-large ensuite bathroom, blending urban sophistication with marine luxury. The flexible layout caters perfectly to families and friends, with a fantastic crew of 2 ensuring seamless service and guest privacy. Speeding beyond 30 knots and cruising at a swift 22 knots, TAMARA II combines speed, comfort, and fuel efficiency, making island exploration in the Adriatic a seamless experience. TAMARA II, available for Charter in Croatia is located in Dubrovnik as the homeport.
