MYNE ~ AZIMUT S 8

Drago started working in kitchens of the hotel resorts since he was 14, working his way up and educating himself. Being a boat person and having a huge passion for travelling, he became a yacht chef, as a logical step in his career. With his extensive experience as a restaurant chef, Drago plays with various combinations of flavours, using as much local ingredients as possible. He always manages to surprise clients with one of his creations and his knowledge of Italian, French and Asian cuisine will leave no one indifferent.
