OVERVIEW

This 72 feet long Azimut yacht, MINEIRA, is an equilibrium of power and presence. She combines a captivating, streamlined exterior and a lofty interior ambience that express stately modern Italianess. Size, sportiness and comfort are the key features of this flawlessly performing beauty. The largest flybridge in A category allows guests and owner to travel comfortably in natural shadow and it can be used as a spacious bar area. Guests can enjoy seating set with table equipped with hi-lo system convertible in sunbathing area, while spacious cockpit can accommodate easily up to 8 people. And the main deck is a state-of-the art: bright as day, open-plan from windshield to cockpit, with a sociable galley, a great little forward dinette and comfortable sofas aft. There are 4 spacious cabins on the lower deck. A central corridor divides the double guest cabin from the twin-berth cabin, both of them en suite, and both illuminated cheerfully by generous hull windows and opening ports. VIP cabin has windows on each side, a reasonable floor area, and a tapering double bed, 5 feet 2 inches at its widest, set at the correct domestic height for comfort. The master suite charms with warm colours and selected essences, with two large hullside windows giving a lot of natural light and a luxurious sense of spaciousness. The crew consist of a Captain and a hostess, in charge to provide a maximum safety and comfort for guests.

BBQ on the flybridge

TENDER & SEA TOYS

Williams Jet 335, 90 HP tender on the bathing platform, 1 x SUP, Seabob iAqua

An aerial photograph of a beautiful bay in Croatia. The water is a vibrant turquoise color, transitioning to a deep blue as it extends into the distance. Several small, lush green islands are scattered throughout the bay, each with a thin strip of white sand beach. In the upper left, a larger landmass with dense green vegetation borders the bay. Several boats are visible: a small white boat near the top left, a larger white motorboat in the middle left, a small dark boat on the right side, and a white sailboat in the lower center. The overall scene is idyllic and scenic.
