

CREW PROFILE

CAPTAIN / MASTER ENGINEER

ANTE TRGO

Croatian

Ante is a remarkable leader with more than thirty plus years of sea expertise. Given that his father instilled in him a passion for the sea and boats, Ante began learning the sea at the age of ten. His fascination with the vast, mysterious waters and the freedom they represented only grew stronger with time. By 18, he had turned this passion into a profession, embarking on a career that has spanned several decades. Nonetheless, in terms of his career, he has held multiple positions, ranging from regular sailor in his early years, to master engineer to captain.

Captain Ante extensive experience is marked by countless voyages across the sea, each adding to his deep reservoir of nautical knowledge and skills. His leadership on board is characterized by a profound respect for the sea, an acute awareness of its unpredictable nature, and a steadfast commitment to the safety and well-being of his crew. Today, Captain Ante is revered not only for his expertise and navigational acumen but also for his enduring love of the sea, which continues to inspire those who sail under his command.

A noteworthy mention is that his military experience is particularly distinguished, having honorably served as a volunteer in the Croatian War of Independence. Therefore, his deep appreciation for the beauty of his country drives him to ensure that his guests enjoy the finest experiences possible.

CAPTAIN / MASTER ENGINEER

BRANIMIR TRGO

Croatian

Captain Branimir is already a seasoned sailor and has been serving as a professional for the past nine years, he now carries the rank of the captain. His deep-seated love for the sea has been a driving force throughout his life, fueling his dedication to the maritime profession.

Branimir holds a Bachelor's degree in Marine Sciences, which has provided him with a strong academic foundation to complement his practical experience. Eager to continue learning and refining his skills, Captain Branimir is committed to staying at the forefront of maritime knowledge and best practices, ensuring he navigates the waters with both expertise and passion.

Branimir consistently ensures the safety of his guests on board, making it his top priority. His warm and welcoming demeanor, combined with his commitment to his guests' well-being, creates an atmosphere of comfort and security that leaves a lasting impression on all who have the pleasure of meeting him.

CAPTAIN / MASTER ENGINEER

ANDRIJA TRGO

Croatian

Andrija is an honored graduate of the Faculty of Electrical Engineering, Mechanical Engineering, and Naval Architecture. For the past decade, he has seamlessly balanced his dual passions, working as both a Mechanical Engineer and a Shipmaster in cruising and yachting.

Ranked as a captain, Andrija serves this role admirably, managing the ship and crew with ease and making everyone feel at home. His problem-solving skills are noteworthy, demonstrating true leadership by handling issues with practical, effective solutions.

Captain Andrija tackles any challenge head-on and resolves it with ease, consistently excelling in all his endeavors and ensuring tasks are completed to the highest standards. His exceptional work ethic is a testament to his remarkable character. His exceptional personality shines through in every interaction, making him a beloved and respected figure in his field.
